**DETAILED ACTION**

***Terminal Disclaimer***

1. The terminal disclaimer filed on 10/06/2006 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of 6,639,697 has been reviewed and is accepted. The terminal disclaimer has been recorded.

***Allowable Subject Matter***

2. Claims 1-10 are allowed.

3. The following is an examiner's statement of reasons for allowance: Claims 1-10 are allowable over the prior art of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of the said prior art which teaches an automatic slide feeder, comprising: a housing, a slide actuator, a control system...operating the document scanner to scan a slide positioned in the scan slide tray and operating said actuator to move a new slide from the input slide tray to the scan slide tray after the slide positioned in the scan slide tray has been scanned, as taught in Claim 1 and an automatic slide feeder comprising: a housing defining a base having a window therein, an input slide tray, an output slide tray and scan slide tray, the scan slide tray being aligned with the window in the base so that a transparent image area on a slide positioned in the scan slide tray is visible through the window, including all of the features recited therein, as taught in Claim 3.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
